

My name is Glenn Herrin, and I am running for a one-year term on the Selectboard. I have worked with the Planning Commission since 2016, where I am currently the chair, and I am also the town Emergency Management Coordinator. I work part-time for Vermont Emergency Management as a planner and utility staffer, often working with towns on their plans and programs.

I am a lifelong Vermonter, though I'm relatively new to Danville. I grew up in Randolph, spent 20+ years in the Army, and in 2009 I retired to Brattleboro with my wife, Kathy. In 2015, after looking long and hard at where we wanted to raise a family and live out our lives, we moved here. We have two terrific daughters, one who just graduated and another who is a junior in Danville school, plus three dogs, two cats, and two horses.

I love Danville's size, location, history, and most importantly the people - a good mix of families that have been here for generations and people who have chosen to live here. I appreciate and hope to continue the Town's strategy of respecting and supporting tradition while pragmatically adopting inevitable changes as best we can. I have dedicated my life to service, and I will consider it an honor if you select me to serve you on the Selectboard. Thank you.
